WELCOME TO

EPEC 2016

OTTAWA, CANADA October 12-14, 2016

www.epec2016.ieee.ca

Welcome to Ottawa and EPEC 2016 “Smart Grid and Beyond: Future of the Integrated Power System”

The conference will be held on October 12-14, 2016 Ottawa, Ontario, Canada and we want you to be a part of this conference as a PATRON. We are pleased to offer exhibitor package that will enable you to reinforce your company’s image as an industry leader and showcase your brand. The Ottawa region is an ideal location for EPEC 2016. In addition to be the hub of the Canadian government, it is also a core Canadian centre for and high technology industry . It has the highest level of R&D spending per capita in Canada. Ottawa is an ideal setting to keep abreast of the extraordinary changes that have taken place in power industry and emerging technologies. EPEC 2016 as the IEEE Canada premier conference that provides a unique opportunity to interact with leaders in this community to shape the direction of power integrated system for years to come. Ottawa provides a outstanding forum to network with professionals, colleagues, leaders, experts, and vendors from around the world.

EXHIBITOR BENEFITS

Put your company in front of those who will shape the future of Integrated Power Systems. Exhibition space creates value by creating corporate awareness among hundreds of Integrated Power System experts at EPEC. The IEPC2016 Committee will work with your company to tailor these packages to maximize the value of the opportunity to your circumstances.

Note: All values are in CAD – HST included where applicable.
